COLUMBIA, ADAIR COUNTY, KENTUCKY, WEDNESDAY, MARCH 14, 1917.

NUMBER 20

ANNOUNCEMENTS.

For Jailer

We are authorized to announce A. W. Tarter a candidate for Jailer of Adair county subject to the action of the Republican party, as expressed at the August primary.

Personals.

Mrs. W. T. Price believed to be gradually improving.

Mrs. J. N. Page, who has been quite sick, has about recovered.

Mr. J. O. Russell left for the Cincinnati market last Thursday.

Mr. A. D. Patterson made a business trip to Lexington last week.

Mr. M. Cravens was at home to attend the funeral of his granddaughter.

Mrs. A. H. Ballard, who has been sick for two months, is improving slowly.

Mr. Fred Myers, who is employed at Toledo, Ohio, is spending a week with his wife and children.

Mrs. Guy Nell and her little son, Guy, who visited in Birmingham, Ala., returned home last Friday.

Mr. and Mrs. Carl Thorp, of Birmingham, Ala., are visiting Mrs. Thorp's parents, Mr. and Mrs. R. E. Tandy.

Byron Montgomery, who is in the revenue service, and who came home thinking he would get as much as a month's vacation, was ordered last week to report at Gethsemane, one of the best places in the Fifth district.

Mrs. C. S. Bishop, who has been visiting relatives in Louisville, arrived in Columbia Saturday. She is a sister of Mrs. W. H. Shaw and Mrs. J. C. Spears, of this place. She wishes to meet all her old friends and relatives while in Columbia, then return to her late home in Chattanooga, Tenn.

Rev. H. B. Grider, of Bowling Green, passed through Columbia last Thursday afternoon, en route to Montpelier, to see his father, Mr. W. C. Grider, who has been critically ill for the past week. Mr. Grider is one of Adair's best citizens, and it is hoped by his many friends that favorable symptoms will set up and that he will recover.

Born, to the wife of Edwin Cravens, March 8, 1917, a daughter.

The taxable property of Adair county, as taken from the tax book, is \$2,067,583.

M. O. Stevenson bought of Bill Grant, Roy, last Thursday, a brood 7 years old, for \$200.

Born, to the wife of Pete Garvin, Campbellsville, Sunday, March 4, 1917, a son—Joseph Lewis.

Frank Toliver picked up about twenty mules here county court day. He paid from \$100 to \$140 per head.

Fred Harris, who got his foot mashed last week while removing an iron safe, is able to be out, after having been laid up for several days.

Mrs. Lander Bryant closed recently a very satisfactory and successful school at the Garvin school house. He was liked by the patrons as well as the pupils.

Mr. Bascom Dohoney received a fine Poland China boar pig Saturday, bought from W. I. Whorton, of Springfield. The pig is the big type and fine one.

Bennett, Gresham & Co., bought a hog from Geo. Smith, of color, last Wednesday, that weighed 300 pounds. They paid 13¢ cents for it. This is believed to be the highest price ever paid in Columbia for a shipping hog.

Mr. Lawson Janes, who was well-known in the Southwestern portion of the county, died last Wednesday at his home near Sparksville. He served in the 13th Kentucky infantry, and was 77 years old the 5th of this month.

Mr. Sam Burdette met with a very painful accident last Wednesday afternoon. He was handling mules in his lot and was kicked on his left hand, breaking a small bone. It will be several weeks before he will be able to use his hand.

Dr. W. A. Ganfield, president of Centre College, will preach at the Presbyterian church in this place on Sunday, April 8th—Easter Sunday. As there will be a very general desire on the part of all the congregations of the community to hear Dr. Ganfield, we would suggest that Union services be held on one or both of the services.

Sanford Strange, the little son of Mr. and Mrs. J. C. Strange, fattened a couple of shoots which he sold to Bennett, Gresham & Co., last Thursday. They brought him \$32.46. The sale will not only stimulate Sanford, but other little boys will want to engage in pig raising.

Rev. Frank Cheek, of Danville, delivered two interesting discourses at the Presbyterian church last Sunday, forenoon and evening. Fair congregations heard him at each appointment. The church is without a pastor and has been for some months, but an effort is being made to secure one.

Paul Revere, in the Edmonton News states that Senator Beckham is untrue to his proclaimed temperance principles, and that he voted with the whisky crowd. The bill before the Senate was a drastic measure, and Senator Beckham knew that if it passed it would ruin State-wide prospects in Kentucky, and for that reason he voted as he did. The leading temperance papers of the country endorse Mr. Beckham's action. Mr. Beckham is a gentleman of intelligence, and knew beyond the peradventure of a doubt that those who wanted the prospects for State wide killed, were anxious for that bill to pass.

Notice.

I want every one owing me to call and settle, as I need the money. From this date I will do strictly a cash business.

Six o'Clock Dinner.

Rev. and Mrs. O. P. Bush entertained the official board of the Columbia Baptist Church recently at a six o'clock dinner. All spent a delightful evening. Those present were Dr. J. N. Page, Messrs. J. N. Conover, R. F. Paul, J. R. Garnett, W. E. McCandless, F. H. Durham, A. D. Patterson, Dr. James Triplett.

Mr. Stephen Jones Dead.

The subject of this notice died last Wednesday afternoon, about 3 o'clock, at the home of his daughter, Mrs. Bryant, near Watson, this county. He had been complaining for several months, but able to be about most of the time. He was about 73 years old, and was well-known in the eastern part of Adair. He was sitting in his chair dead, when found. He had been a shifty man and left a very good estate. He had his will written about three weeks ago.

Faulkner-Lowe.

Last Sunday forenoon Miss Frona Faulkner, daughter of Mr. and Mrs. T. C. Faulkner, and Mr. Geo. W. Lowe were married by Rev. O. P. Bush at the home of the bride's parents, on Burkesville street.

We are informed that for the present the couple will board at the Hancock Hotel.

Both the bride and groom have many friends, hence the best wishes of the community is extended. May the god of love be their sustaining power, is the wish of this paper.

Death of an Infant.

Mary Frances, the first born of Mary and Edwin Cravens, died last Sunday between eleven and twelve o'clock. It was only three and a half days old. Its going away was trying on its parents, but they should remember the injunction of their heavenly Father, "Suffer little children to come unto me and forbid them not for of such is the Kingdom of heaven." Religious services were held at the home Monday, conducted by Rev. O. P. Bush, and the interment was in the family cemetery.

Latest War News.

The statement from Secretary of State Lansing to the effect that American merchantmen have the right to fire upon German submarines at sight, on the general theory that the German undersea boats are outlaws of the sea is expected to lead to an immediate clash of arms between this country and Germany.

Only complete breakdown by Germany can prevent entry of America in war.

Right to fire on u-boats at sight interpreted to mean war at once.

Revocation of unrestricted warfare by Teutons would avert hostilities.

Failure of ruthlessness only hope Capital sees for peace now.

Serious times in sight.

Coming.

Since the splendid entertainment given sometime ago under the auspices of the Woman's Club, many requests have come to these ladies for another. On March 23, a similar program will be presented under the direction of the Woman's Club, at the Paramount Theatre. The program is an exceedingly interesting one, Miss Argine Gossett, being the reader, and Miss Frances Baird, the pianist, both young ladies coming from the Louisville Conservatory of Music. All attending this recital will be assured of an interesting entertainment.

Montpelier, Ky.

Gradyville.

We have had plenty of rain and sleet for the past few days.

Joel Rodgers spent the first of the week at Greensburg and Roachville.

Poke Mitchell, of Edmonton, was here the first of the week looking after oil leases.

Robert O. Keltner was on the sick list several days last week.

Dohoney & Cheatham, of Milltown section, received a lot of hogs here the first of the week at 10 and 11 cents per pound.

W. L. Grady bought last week a fine Peacock stallion, price not known. Mr. Grady is noted for fine horses.

Mrs. Elizabeth Beachamp, of Nashville, Tenn., is visiting her daughter, Mrs. E. E. Nell, near this place at this time.

The boys of our town have been catching some very fine fish out of our creek for the past week or two.

Robt. Wethington bought last week from Albert Brummett & Coomer & Gowen a large body of hickory timber for the Adair Spoke Co., that will be manufactured at this place. Mr. Wethington will also buy timber here.

We are very glad that the company has decided to open up their business here again, as it is the life of trade. The above timber is known in this section as the J. M. Wilson timber.

Mariel on the 27th, Mrs. Sallie Sherrill to Mr. Sherrod Hatcher, of Cane Valley section. Rev. Bush, of Columbia, pronounced the ceremony.

The newly married couple will reside at Mr. Hatcher's home near Cane Valley. Their many friends in this community wish them a happy and prosperous life.

Died on the 27th, Mr. Jesse Breeding in his 77th year of age. He had been confined for several months with a complication of troubles, but when the end came he was ready to go. There never lived a stricter business man, honest in every particular, than Mr. Breeding. He dealt honestly with every man. His funeral was preached by Rev. Scott before a large audience of friends and relatives and his remains were interred at the family cemetery.

Uncle Charles Yates, one of the oldest men of our town, is able to walk down to the post office every day when the weather is good, after his mail and is looking well for a man of his age.

He is the last one of the Yates brothers, who were all charter members of the Gradyville Baptist Church, and donated largely to the support of the church, and we are glad to say that their children have not forgot their training when it comes to giving to the support of their church.

"Uncle Charlie" informs us that his great nephew, Geo. Yates, of St. Charles, Ky., sends annually \$5, and his nephew, Ernest Yates, of McGregor, Texas, gives annually \$5. W. C. Yates, Campbellsville, pays \$10 annually, also Mrs. W. R. Lyon, Campbellsville, donates liberally to this church.

George and Ernest hold their membership at this church, converted when very young.

Mr. A. W. Tarter Announces.

Perhaps there is not a more widely known man in Adair county than the subject of this writing, who announces this week his candidacy for Jailer of Adair county, subject to the action of the Republican party. He was born and reared in the lower end of the county, and twelve years ago he was nominated by his party for the position he is now seeking. He made the race, was elected, and for four years made a diligent officer, his record meeting the approval of the entire county. For the last eight years he has been living quietly in Columbia, farming and running teams. He is a man who has many warm personal friends, all of whom will take a delight in supporting him in the race. His life is an open book, and he asks the Republicans of the county to investigate his fitness for the office, believing that they will come to a favorable conclusion and support him for the nomination and then elect him. From now until the primary he expects to be active, and he earnestly asks his friends to do every thing in their power to advance his interest. He is a friend to all his Republican opponents, hence they may expect courteous treatment from him.

Editor News:

Excuse my seeming neglect, but I have been very busy in the school room, hence my correspondence has suffered.

As President Wilson, a devout Presbyterian, is to be inaugurated today, it certainly would not be wrong for me to write a letter to my home paper. I voted for Wilson, am his friend and admirer, and the Old North State came up with a splendid majority.

While I am for Germany as far as she and "Hengland" are concerned, I favor the "last man and the last dollar" if she, Japan and Mexico invade our shores. I don't share in this mawkish sentiment toward our "Mother country." I read history and remember causes of Revolution, also of war of 1812. My grandfather helped humble the forces of British tyranny in first struggle, and both my grandfathers in latter. In first we fought the minions of and idiotic king with tories of our own land, and in

last we fought the troops of our "Mother Country" and hostile Indians, led by Tecumseh. While this great chief was an untortured savage, he was a better man and a better soldier than Proctor, the English general.

I am aware that the money of Wall Street makes some people see things, as British gold and lack of stamina caused people to see things during the Revolution, and New England to have visions and dream dreams during the struggle of 1812. But I stand with Jefferson, Washington, Otis, Franklin etc., in first; and Clay, Calhoun in the latter struggle. I get no boddle from Wall street, and wear no collar of any church or political rings.

My views are not popular with stalled preachers nor corrupt politicians. Nearly every church paper I see is boo-hooing over the atrocities of "barbarous Germany" and trying to canonize England. I don't place either King in the calendar of saints, but if I

New Start In Life For Them.

MRS. JOHN LOWE.

MISS FRANCES BURNETT.

MRS. S. C. BURNETT.

"Someone suggested the other day that we take a sign on our house saying, 'This Is a Tanlac Family.' That's because my two daughters and I talk so much about Tanlac. We all wear the Tanlac Smile, too," Mrs. S. C. Burnett, 1408 Walnut street, said.

"But why shouldn't we talk about it when we feel that it has done us a world of good. Everyone of us has been helped by Tanlac and I'll tell you we can't say too much for it."

"First my older daughter, Mrs. John Lowe, tried it. She had lost 30 pounds and was so run down and nervous that even the rumbling of a wagon or the slamming of a door would upset her for hours. We feared we would have to send her to a hospital.

"I honestly believe that Tanlac saved her from complete breakdown. Nothing else seemed to help her. But Tanlac put her on her feet again right quick. Today she is one of the happiest women in Cincinnati.

"Then Frances became run down—sort of half-sick. She had dizzy spells. We were going to take her out of school because she kept complaining of spots and webs before her eyes. Her complexion got pasty and she didn't look a bit well. Tanlac however, proved to be just the thing she needed and now she is back in good health again.

Mother Was Half-Sick.

"As for myself, I felt almost the same as Mrs. Lowe. My stomach troubled me. My appetite was poor and I suffered after eating with bloating and belching of gas. But with the help of Tanlac I got rid of these troubles and now I feel simply splendid.

"But I started out at first to tell

"I tell you Tanlac has done a lot for our family and we can't say too much good about it."

Shake Off That Grip

When Spring comes, with its changeable weather
and your exposure, it is best to clear away all the
symptoms left after an attack of grip. That evil
disease leaves you weakened, and when its victim
attempts to "do his bit" he exposes himself to the risk of a second
attack, for which he is less prepared, and which may have graver
consequences.

There's Danger in Delay

April and May are pneumonia months. In this time a weak
ened system is a constant source of danger, for the pneumonia
and grip infections are in the air, and after a long winter the
body is so clogged with waste it cannot resist them. Fortify
the health, remove the catarrh, and improve the digestion.

For Quick Relief PERUNA

This reliable tonic is recommended to remove the waste
from the body, counteract the catarrhal poisons and allay the
inflammation that is catarrh, restore the regular appetite and
tonic up the entire system to resist disease. A well man is safe.

As a tonic after grip it has won many commendations, while its effect
iveness in catarrhal conditions is unquestioned. Take no chances—Take
Peruna.

*Peruna Tablets are always ready to take. You may carry a box
with you and ward off colds and chill. The liquid medicine in your
home is a great safeguard. Protect your family.*

Saves Eggs

Royal Baking Powder makes it possible to produce appetizing and wholesome cakes, muffins, cornbread, etc., with fewer eggs than are usually required.

In many recipes the number of eggs may be reduced and excellent results obtained by adding an additional quantity of Royal Baking Powder, about a teaspoon, for each egg omitted. The following tested recipe is a practical illustration:

SPONGE CAKE

DIRECTIONS:—Boil sugar and water until syrup splits, then add to the sifted beaten whites of eggs, beat until the mixture is cold. Sift together three times the flour, salt and baking powder; beat yolks of eggs until thick; add a little water to thin flour mixture and egg alternately with a well of egg mixture, stirring after each addition. Add $\frac{1}{4}$ cup cold water and flavoring. Mix lightly and bake in moderate oven one hour.

The old method called for 6 eggs and no baking powder

ROYAL BAKING POWDER

Made from Cream of Tartar, derived from grapes, adds none but healthful qualities to the food.

No Phosphate

DAKOTA JACK

Dear Sirs:

I wish I could make other men understand how grateful I feel for the great benefit COM-CEL-SAR and your CHEYENNE INDIAN REMEDIES have been in my family. Both of my boys were weakly, puny, sickly, troubled with worms, fever, cough, catarrh, constipation, complaining of pains all over their little bodies, indigestion and their little stomachs would bloat terribly. We had tried everything we could hear of; nothing did any good, when we began using COM-CEL-SAR. You cannot know the joy we felt when both boys began to have refreshing sleep, pain stopped, indigestion stopped. They began to play, looked rosy-cheeked and gained flesh, worms quit bothering them; in fact, they were like different boys altogether. My wife has derived wonderful results from the Roots & Herbs, in fact we are healists now, using nothing but Root & Herb medicine in the home.

Very truly,

Geo. M. Guelda.
